Please fill in all requested information on the application form. Note some awards require specific application forms. These forms are available through Grad Transition teachers and on the PCSS website. The Columbia Basin Trust Youth Award and the Columbia Basin – Neil Muth Scholarship for 2021 will be available online at <https://ourtrust.org/grants-and-programs-directory/youth-community-service-awards/>. Awards that specify you must attend the institution within one year of graduation mean either this fall session or January/spring session.

Some groups will allow a one year enrollment deferral (to next fall) with written approval. If you plan to defer entering post-secondary please note this on your application form in order for the group to make an informed decision. If you are the chosen candidate for an award you should send a letter to the group notifying them of your plans and requesting written approval to defer.

Award certificates will be included in your grad folder at the graduation ceremonies along with instructions on who to contact to receive the award. Please send a thank-you note to the group if you are the chosen candidate for an award. When you apply for the funds you must send proof of registration/enrollment (tuition receipt etc).

Remember – apply for all awards that you are qualified for. Some awards are not given out because no applications were received. Please do not apply for awards that you clearly are not qualified for. The awards listed may be subject to change due to unforeseen circumstances.

Submit your letter of introduction detailing your accomplishments and your post-secondary school acceptance letter (when you get it) to the office to have it scanned for your file. The office will have a copy of your transcript and will attach it to your application.
